Limited Lifetime Warranty

Door sections against deterioration due to "rust through" and/or "delamination" and all hardware components used in the door system against defects in material and workmanship.

Standard hardware components are warranted for five (5) years.

Residential single-family installations, for as long as the original purchaser owns the home.

Serving Central Indiana Since 1975

Since 1975, Fairmount Door has been serving clients throughout Central Indiana. We are proud to provide top-notch installations on all overhead door systems, including commercial, agricultural, industrial, and residential doors.

A family-owned and -operated company, we pride ourselves on doing a quality job for our customers using some of the best products in the industry.
